# Are you f\*cking fabulous? Well, there's a new perfume with your name on it ✨ ✨ ✨ ✨

Is this the sassiest perfume the beauty industry's ever seen?!

We're a sucker for a sassily-named product. Remember [Mac's Basic Bitch palette](#)? Well, that's got nothing on this new [perfume launch](#).

In true Tom Ford fashion, the powerhouse beauty brand has gone all out with its latest fragrance by naming it 'Fucking Fabulous'. Naturally, the news had us all talking over our morning coffee today - with most of us (I presume) looking at the bottle and internally whispering 'ME'.

The limited edition scent will launch on 7 September, the day after Tom Ford's SS18 show and will be sold exclusively in the brand's boutique on Sloane Street.

With a name like that we're not sure it even matters what it smells like, but in case you were wondering, it carries notes of Almond Bitter Oil, Tonka Resinoid, Orris Accord, Cashmeran, Leather Accord and Clary Sage Oil. It's bound to smell amazing, right?!

As you'd expect, the scent comes with a rather hefty price tag with a 50ML bottle setting you back £205. Yes, it's pricey. But just *look* at that bottle.

In summary, we have three words: Dressing. Table. Porn.
